

ASSE Hawaii Chapter Logo Design Contest

Calling all artists! ASSE Hawaii Chapter needs your help. The chapter has been in existence since 1951 and we have been lacking one thing.....a logo. We want a unique identifier for our chapter that reflects Hawaii and must include the ASSE logo and the words, Hawaii Chapter.

The deadline for submittal is August 31, 2010. Please email your designs to mary.silva@maryl.com or they can be mailed to Mary Silva, 55 Merchant St. Ste. 2900, Honolulu, HI 96813. The winner will be awarded a \$100 Ala Moana/General Growth gift card.

It's not limited to our members. Family members, friends, aunties, uncles, cousins, etc. are invited to participate.

All entries will become property of the Hawaii Chapter of the American Society of Safety Engineers and will not be returned.

Below are some examples of other chapter logos for your reference.
